- Nonrusting hardware

MS 5800 Protective Carrying Case

The MultiScan MS5800™ Backpack has been designed and manufactured with the comfort and safety of operational staff in mind. It improves safety while carrying inspection equipment on steps or in awkward places enabling constant 3-point contact.

This backpack has been developed and tested in the field with the help of several service companies whose input has been used to precisely define the requirements of this unique product.

In an industry where safety and security is paramount, the MS5800 Backpack protects both your equipment and your personnel.
