Subject: Supplier Approval

To Whom It May Concern,

On behalf of Olympus Americas Inc., we request qualification to be listed as your Approved Vendor be accepted with copies of our third-party certifications and Integrated Management System Manual.

Certifications

Our Integrated Management System is certified to the following standards:

Standard	Certification Body	Certificate No.	Expiration Date
ISO 9001:2015	Perry Johnson Registrar	C2017-00845	March 8, 2020
ISO 14001:2015	Perry Johnson Registrar	C2017-00847	March 8, 2020
OHSAS 18001:2007	Perry Johnson Registrar	C2017-00848	July 14, 2019

Integrated Management System Manual

The controlled copy of the Integrated Management System Manual, MAN-00001, documents the following: definition of our quality, environmental, health and safety program; demonstrates compliance to customer, regulatory and internal requirements; includes organizational charts with responsibilities, roles and authority; and details policies, procedures and records.

Scope of Organization

Olympus Scientific Solutions Corporation is the original equipment manufacturer of Non-Destructive Testing products and systems. The organization does not perform services, special processes or treatments to your organization.

On Site Audits

Upon additional request we will complete supplier/vendor forms and authorize on site audits by your organization to our facilities.

In addition, we ensure significant changes that may impact our quality, environmental, health and safety be communicated to you. If you have any questions or concerns, contact our Corporate Quality Representative.

Sincerely,

Karla Heredia
